

# Justus R. Kaiser

Dipl.-Phys. | Patent Attorney | European Patent Attorney | European Trademark and Design Attorney | Partner

[kaiser@kspartner.de](mailto:kaiser@kspartner.de)

[vCard](#)

## Areas of Practice

National and international patents and utility models with a focus on physical technology, medical technology, mechanics, hydraulics and pneumatics as well as trademarks and designs, licensing and contracts, employee invention law, prosecution, infringement and validity litigation.

Languages:

German, English

## Professional Development

- 2021 Partner of KEIL & SCHAAFHAUSEN
- 2019 Admission as European Patent Attorney
- 2018 Admission as Patent Attorney (Federal Republic of Germany)
- 2015-2018 Patent Attorney Trainee at KEIL & SCHAAFHAUSEN
- 2012–2014 Research scientist at the Bundeswehr Research Institute for Materials, Fuels and Lubricants (WIWeB)
- 2006–2012 Studies of Physics at the Technical University of Kaiserslautern

## Personal Information

1987 born in Kaiserslautern

Justus Kaiser studied Physics with focus on experimental physics and secondary subject engineering (focus on materials science) at the Technical University of Kaiserslautern. He finished his studies 2012 with his diploma thesis in the field of terahertz measurement techniques written at the Fraunhofer Institute for Physical Measurement Techniques (IPM) in Kaiserslautern at which he already had been working before as research assistant. At the Bundeswehr Research Institute for Materials, Fuels and Lubricants he especially focused on the material properties of fiber reinforced plastics. Justus Kaiser is member of the German Physical Society (DPG), FICPI, GRUR, and the Federal Association of German Patent Attorneys (Bundesverband Deutscher Patentanwälte e.V.).
